

EXCITING NEWS AND NEW SINGLE TO RADIO FROM BC COUNTRY DUO TWIN KENNEDY

April 12, 2016 (Toronto, ON) – It's been a little over a year since the BC Country duo Twin Kennedy broke into the Country Music scene and they have proven to be an unstoppable force. With multiple award nominations and wins, and countless live performances throughout Canada, the U.S. and Europe, these identical twins are showing that they are just getting started! To add to their rapidly growing list of accomplishments, we are pleased to announce that a brand new single from this dynamic Country duo will be released to radio tomorrow!

Secondhand Gold is the third single from the twins' award-winning debut album "It's A Love Thing", which was released last year. Combining the beautiful vocal harmonies, heartfelt lyrics, and extraordinary instrumental talent that Twin Kennedy have become known for, ***Secondhand Gold*** is guaranteed to hit you in the heart and have you pausing to reflect. "To us, ***Secondhand Gold*** is about waiting for true love," says Carli & Julie Kennedy. "Everyone deserves to feel like the most valuable person to their significant other, and this song speaks about holding out for that right person and not settling just for the sake of being settled down."

Secondhand Gold has already obtained critical acclaim, just this past weekend the song won Song of The Year at the 12th Annual Vancouver Island Music Awards along with the album "It's A Love Thing" winning Country Recording of the Year!

Additionally, **Secondhand Gold** was the selected song that gave Twin Kennedy their recent Grand Prize win for the Best Country Song category of the John Lennon Songwriting Contest, which saw the girls earn over \$8,000 in prizes. They are currently competing in the second phase of this internationally renowned contest, which could win them the prestigious Lennon Award and make them eligible to win the jury-selected award of Song of the Year. The public voting process for the Lennon Awards is now live until April 30th, with a lucky voter getting the chance to win their very own Epiphone Casino Guitar. Twin Kennedy is a duo consisting of identical twin girls from Victoria, BC. With Carli playing guitar and vocals, and Julie on fiddle and vocals, these sisters have been described as "Nothing Short of Awesome!" by Cashbox Magazine. 2015 CCMA nominees and nine-time BC Country Music Award nominees, Carli & Julie are known for their sibling harmonies and high energy performances that blend their classical training with their country roots. They have toured extensively throughout North America and most recently completed two cross-Canada tours in support of their debut album "It's A Love Thing", released in Spring of 2015 and produced by multiple CCMA and JUNO award-winning artist George Canyon.
